

Make these  
problems a thing of  
the past.

You've been searching for job  
candidates but not finding the  
right people

Your business is growing, but  
your onboarding process for  
new employees is ineffective

You're losing great candidates  
to your competition

You need HR expertise, but don't  
need or can't afford a full-time  
employee

With Amy Cell Talent, we fill in the  
gaps you need to build a strong,  
effective team.

## Build better teams

with effective recruiting  
and strong HR systems  
from

We're on a mission to help  
small - mid sized  
organizations thrive by  
building better teams.

**AmyCell** Talent  
BUILD BETTER TEAMS

## When working with us, you can expect

### Partnership

Our team works with you to identify your talent needs. We provide advice and guidance from recruiting to organizational development, conflict resolution, compensation plans, and more!

### Strategy

We evaluate the engagement weekly. We have access to multiple job boards, networks, HR platforms, and a deep bench strength to respond to your HR talent challenges.

### Results

Within 30 days we reassess project deliverables and work with you to hit your goals of finding talent and supporting your successful business.

How much faster could your organization be growing today if you had the right people and the right systems in place?

### The team at Amy Cell Talent can help you with

#### Recruiting

Sourcing – Screening  
Scheduling – Video Interviewing
