

Effective recruiting and strong HR systems

We believe that HR can be a powerful tool to facilitate growth and create value for organizations. Our mission is to provide HR and recruiting expertise that fills in the gaps needed to build strong, effective teams.

Company Overview

Amy Cell Talent is a recruiting and Human Resources consulting whose roots are in the public and private sectors, and we recognize that the needs of small to mid-sized organizations differ from enterprise-level companies.

Our services are designed to support organizational growth and help your people to thrive. Together, we build better teams through talent acquisition, employee engagement, succession planning, compensation equity, and more.
