CONTINGENCY SEARCH

Contingency Fee

Our executive search service starts with a nominal contingency fee of \$1,500, payable upfront. This fee encompasses the initial stages of the search process, such as candidate sourcing and screening.

Placement Fee

Upon successful placement of an executive candidate sourced through our service, a placement fee equivalent to 20% of the candidate's salary will be due.

Contingency Credited to Placement Fee

The \$1,500 contingency fee serves as a credit towards the placement fee upon hiring a candidate. This implies that when you hire an executive candidate through us, the \$1,500 will be deducted as a credit from the 20% placement fee, offering you a greater value for your investment.
